JUN MING OOI

github.com/dweggyness • jmo460@nyu.edu

Education

New York University Abu Dhabi	Sept 2020 – May 2024
B.S. in Computer Science	
Sunway Cambridge GCE A-Levels	Jan. 2018 – June 2019
A*AAA	

Relevant Experience

The Gazelle | Deputy Web Chief   On-campus NYUAD
JavaScript, React   Jan 2021 – Present

- Maintain a 5-year-old codebase for a student newsletter that serves over 1000 viewers a month.
- Contributed a requested feature to have the ability to add/remove access of admins from the admin panel itself, previously it was a manual process.

HackAD | Events Coordinator   On-campus NYUAD
-------------------   Jan 2021 – May 2021

- Hosted weekly 'leetcode' challenges on our Slack channel, with over 10+ weekly participants.
- Assisted with coordination of in-house events, such as trivia nights, open house.
- Designed merchandise such as stickers and tote bags.

eMasons Solutions | Software Dev Intern   Kuala Lumpur, Malaysia
JavaScript, React Native, Swift   Sept 2019 – Apr. 2020

- Contributed to the development of an iOS app for a visitor management kiosk using React Native, starting from project planning to project execution.
- Ported a Python library used for facial recognition to Swift, and made it a React Native library to be used in the visitor management kiosk app.
- Worked in an Agile/Jira based environment.

Skills

Languages *English, Malay, Mandarin, Hokkien*

Fluent in English and Hokkien. Conversational in Malay and Mandarin.

Design *Photoshop, Illustrator*

- As part of the Sunway Newsletter Team, I used Adobe Photoshop and Illustrator to design and deliver illustrations and banners for articles and events under short notices. I was also responsible for designing promotional flyers and banners for my family's business, a seafood restaurant since I was 15.

Projects

Tea Blog *React, Contentful, Gatsby, Netlify*   *www.dwegstea.me*

Created a custom blog for my tea reviews using a headless content management system. Hosted on Netlify.
